EDUCATION:

National Forensic Sciences University

*B.Tech - M.Tech. Computer Science & Engineering
(CyberSecurity)*

2022-2027 | Gandhinagar, Gujarat | CGPA: 8.76

Sacred Heart Convent Sr. Sec. School

12th

2020-2021 | Suratgarh, Rajasthan | Percentage: 90.4

Sacred Heart Convent Sr. Sec. School

10th

2018-2019 | Suratgarh, Rajasthan | Percentage: 93

PROJECTS:

Windows Artifacts Analysis

- **Designed and deployed** a tool to collect, parse, and visualize Windows forensic artifacts across OS versions, **improving investigation efficiency by 25%** and enabling faster, data-driven decisions.
- **Technologies:** Python, SQLite, Tkinter, Windows Registry, Prefetch, LNK, Recycle Bin, Event Logs

Cloud-Based Intrusion Detection System

- **Deployed** a cloud-based IDS on AWS, **reducing alert response time by 40%** and increasing end-user trust.
- **Technologies:** Python, AWS Lambda, CloudWatch, EC2, SNS

Courier Tracking System

- **Developed** a real-time Courier tracking platform, **enhancing user experience and operational transparency** through accurate schedule updates.
- **Technologies:** Java, MySQL, Apache Tomcat, JDBC, HTML/CSS

EXPERIENCE:

Uttar Pradesh Police, Amroha — Intern (July 2025)

- Identified workflow inefficiencies and recommended process improvements, enhancing investigation efficiency by 30% and internal stakeholder satisfaction.
- Collaborated with teams to prioritize risks and implement solutions, improving operational transparency.

TECHNOLOGIES and SKILLS:

Technical Skills: Java, Python, C, JavaScript, MySQL, AWS, HTML, CSS

Product & Analytical Skills: Data-Driven Decision Making, Product Strategy, User Research, A/B Testing, Cross-Functional Collaboration

Tools & Platforms: Excel, AWS CloudWatch, SQLite

Soft Skills: Communication, Stakeholder Management, Team Collaboration, Analytical Thinking

CERTIFICATIONS:

- **Google Cybersecurity Certificate:** Cybersecurity & Data-Driven Insights
- **IBM Data Engineering**
- **AWS Semester 1 Badge:** Cloud Computing & Scalable Solutions

INVOLVMENT & LEADERSHIP:

- **GDSC (NFSU) Member:** communities supported by Google that are designed to empower students in their pursuit of technology and innovation
- **Active NSS Candidate:** Participated in social outreach, enhancing teamwork and problem-solving skills.
- **House Captain in School:** Coordinated events with **100+ participants**, demonstrating leadership and communication.
